

"MAKE A DIFFERENCE DAY AT RACEWAY"

Dundee Township Open Space (Western Sector)

MEADOWDALE RACEWAY (RACEWAY WOODS)

Saturday, October 21, 2006

8:00 – 12:00 Noon

Join us for a day of work and fun. Volunteers will meet at the parking lot on Huntley Road, one mile west of Rt. 31. If the weather is friendly, and even if it is not...we will be working on completion of the path system for the Western Sector crossing the Infield and joining up to the Park District Woods. We also plan to plant trees and do a little clearing of invasive growth at Doan's Corner.

If you come: bring a tool if you can. (Some tools will be provided.) Useful tools include rakes, loppers, or nippers. If you have heavy equipment that will help us move wood chips please call ahead at 847-428-2362.

Snacks and water will be provided. Portable bathrooms will be on site. At the end of the day, tired workers are taken on a hayride to view the track in total.

If you plan to come, it is best to leave a message so we can plan for supplies. We had a great time last year with 45 volunteers showing up! If you missed it here's your chance to get involved! We hope to see you there Saturday morning October 21st.
